DON’T MISS THE PREMIERE OF THE UIPM LIVE TALKS WITH SEBASTIAN DIETZ

The first ‘UIPM Live’ webinar is only days away.

This new video concept aims to spread knowledge about UIPM Sports to a global audience via social media, and the first member of the UIPM Family to feature will be Sebastian Dietz, who will give an athlete’s perspective on career management and transition.

You can catch the discussion with Sebastian Dietz on Thursday, February 16th at 8 PM (CET).

All you need to do is call up the UIPM Facebook page at this time, and you can watch the webinar live. If you miss it, you will be able to catch up by watching the video through the UIPM Educational Platform.

We aim to this new initiative as broad as possible by featuring everyone from athletes and coaches to volunteers and tournament organisers. So please help us by sharing news of this special new opportunity among your friends, family and followers.

See you on Thursday!
