UIPM 2016 WORLD SCHOOLS BIATHLON RANKINGS

There were 1576 young athletes competing during 2016 in the UIPM World Schools Biathlon from 6 countries and the competition has been tough. Certificates awarding the Top 3 athletes will be sent in digital version to the respective National Federations of awarded athletes. They will be available within April latest.

We hope to see you competing again in 2017 as more and more countries will integrate this UIPM competition which will be of a different format than before!
