LASER-RUN WITH OBSTACLES ARRIVES IN MALAYSIA

Image not found or type unknown

The Modern Pentathlon Federation of Malaysia successfully completed an inaugural Laser-Run with obstacles competition on April 30.

The course at the Havil International School in Kuala Lumpur comprised of nine obstacle stations which included laser shooting, jumping, crawling, running and others.

Young athletes from various schools participated in the Under 17 category, where the winner was Sean Ho Ka Wai, and Under 12, where the winner was Lim Eu Xuan.
