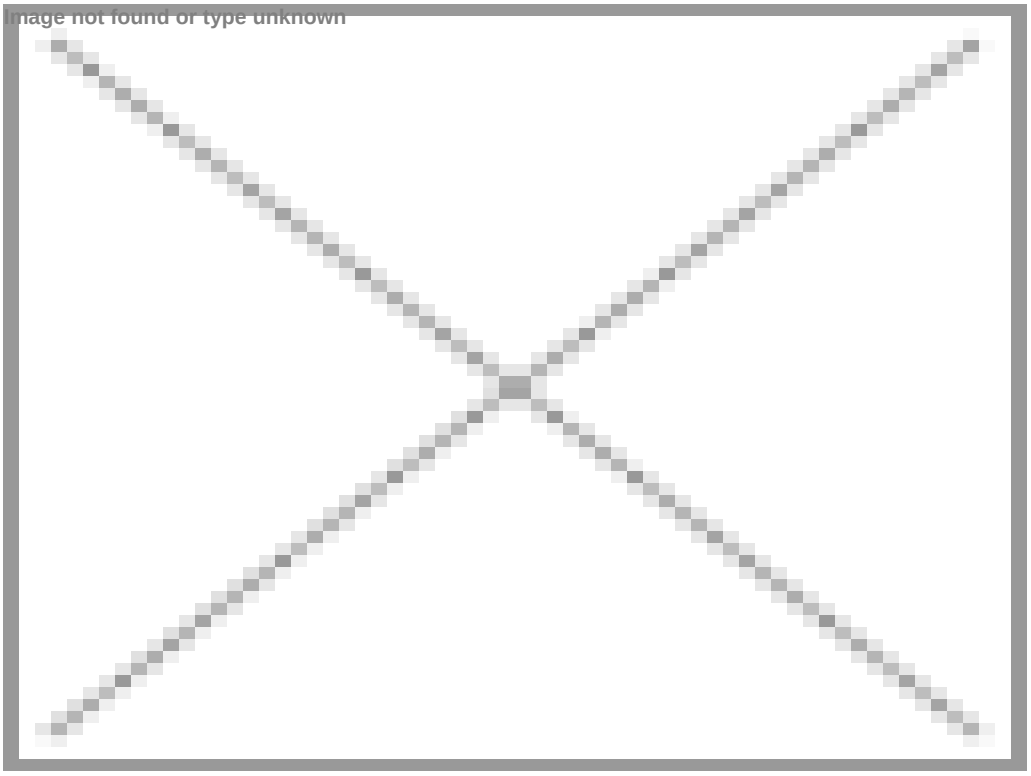
‘SPORTING LEGEND’ TROPHY FOR JUAN MANZO (MEX)



One of UIPM’s most distinguished administrators enjoyed a career highlight in 2018 when he was awarded the UIPM Pierre de Coubertin Medal for his part in the organisation of a successful UIPM Pentathlon World Championships in Mexico City (MEX).

Now the new year 2019 has brought another slice of recognition for UIPM Vice President Juan Manzo Oranegui, who has received a ‘Sporting Legend’ trophy on March 19 in respect of his service to Mexican sport as President of the Mexican Modern Pentathlon Federation (FMPM).
