The upcoming UIPM 2021 Biathle-Triathle World Championships in Weiden (GER) will be held with a single division in each category.

The unification of the elite and open divisions is aimed at identifying the undisputed world champion in Biathle and Triathle and covers all age groups from Youth to Masters.

It will also reduce the complexity of managing the competition in line with UIPM's COVID-19 Coronavirus Infection Prevention Guidelines.

The Championships take place from August 25-29 and the registration deadline is August 11. [Click here to register and find all the information you need about the competition.](#)
