These included selection process, collecting proposals from all different stakeholders, including UIPM National Federations, committee/commission members, athletes and its focus group, pentathlon fans, organizations and individuals who submitted their suggestions directly to UIPM.

The UIPM Athletes Committee's also presented its suggestions after conducting discussions within an Athlete Focus Group composed of 26 athletes from 22 nations.

The WG will have a physical meeting during the UIPM 2022 Pentathlon World Cup Budapest in the last week of April to make its final decision of the discipline to be tested, in order to start more detailed competition rules and format study within Q2. It will then report to UIPM Executive Board about the outcomes of its working phases.
