Five days of individual competition in the new sequence of Fencing, Obstacle, Swimming and Laser Run begins on February 25 with Women's Qualification (see full schedule below).

Fencing now features a quickfire direct elimination format where athletes must win 1min bouts to remain in the competition. In Qualification there is a traditional Ranking Round, and prior to the Semi-finals there is a Seeding Round that dictates where athletes are placed in the knockout draw.

Fencing is followed by Obstacle, a brand new addition to senior Modern Pentathlon which pits athletes head to head over a 70m course featuring eight obstacles. Action then switches to the Swimming pool before athletes line up for Laser Run – five running laps of 600m with four visits to the shooting range.
