LESUN MAKES HIS MARK IN MEN WORLDS FINAL FENCE

Image not found or type unknown

It came as no surprise to see Russia's Aleksander Lesun claim the best result in the Men's World Championships Final fence this morning with the reigning champion taking 976 points from 24 victories on the pistes.

Dmyrto Kirpulyanskyy of Ukraine equalled the Russian's score and shares top sport with the World No.3 whilst France's Valentin Belaud and Lithuania's Justinas Kinderis are tied in third position.
