07 JAN 2014

2014 LIST OF PROHIBITED SUBSTANCES AND METHODS

The **2014 List of Prohibited Substances and Methods** is now available and can be found HERE

The 2014 List, valid as of January 1, 2014, is currently available in English, French and Spanish.

All Stakeholder issues and comments were discussed in detail at the List Committee meeting. Further information on topics included in the Summary of Modifications and Explanatory Notes, and on many other issues or queries brought to the attention of the List Committee as part of the stakeholders comments are in the Questions & Answers section

In addition to the print and PDF formats, the List and its related documents is now available for mobile devices and as an iPhone/iPad application.

Click HERE to go to the Prohibited List **mobile site**.

Visit the App Store to download your free Prohibited List iPhone application.

2013 List of Prohibited Substances and Methods

The 2013 List of Prohibited Substances and Methods and related documents can be found HERE
