# FRANCE GRABS THE RIGHT TO HOST THE 1ST UIPM LASER-RUN WORLD CHAMPIONSHIP

UIPM Executive Board has the pleasure to announce that the 1st UIPM Laser-Run World Championships has been appointed to France in 2015.

The Laser-Run is the latest original creation and individual competition of UIPM, coming from the Combined Event and launched in 2010 as the last part of full Modern Pentathlon. Athletes of all ages from 8 to 80 can participate and the competition can be staged on beaches, in cities and in the countryside.

More information regarding to the 1st UIPM Laser-Run World Championships will be released in the following weeks.
