France, one of the world's strongest nations in Modern Pentathlon, demonstrated again the power of their pentathletes with extraordinary results at the UIPM 2016 World Championships.

As part of the preparation for the Olympic Games Rio 2016, the French Team of Modern Pentathlon is opening the centre of excellence INSEP, in Paris, for a training camp, from July 14 to August 5, 2016.

The rate per day per person is 74 euros in a double room and 84 euros in a single room. This rate includes full board accommodation and training (Fencing, Swimming and Combined).

The riding sessions will be held at the riding school UCPA with the cost of 25 euros per session and per rider.
