The deadline for submissions in the UIPM Coaches Conference Contest has been extended and papers will now be accepted until Sunday, September 25.

Coaches from around the world have been challenged to write about how they make a difference coaching Modern Pentathlon in their country.

The work will be used to form part of the discussion at the 4th UIPM World Coaches Conference in Manchester (GBR) on November 11-13 and the two best responses will be rewarded with free flights to Manchester and accommodation during the conference.
